

NURSING BACKGROUND CHECK MODIFICATION

The Colorado Community College System ("CCCS") and the State Board for Community Colleges and Occupational Education authorize the nursing programs to conduct a background investigation of all student applicants. The clinical sites used in the nursing programs require background checks of all potential interns. The purpose is to maintain a safe and productive educational and clinical environment. New students who refuse to comply with the background investigation will not be allowed to enter a CCCS Nursing Program.

An Applicant will be disqualified from a CCCS nursing program based on the following guidelines:

- Any violent felony convictions of homicide. (No time limit)

If the investigation reveals information that could be relevant to the application, the designated individual responsible for background checks may request additional information from the applicant. The offense shall be reviewed on a case by case basis. Students who have successfully completed the terms of a deferred adjudication agreement will not be disqualified.

If any applicant feels the criminal background check is inaccurate, they may appeal the decision and request a review with the specific community college applied at. It is the applicant's burden to produce substantial evidence that proves the crimes charged are incorrect.
